# What is driving the appreciation growth in Puerto Escondido?

The constantly rising prices in Puerto Escondido reflect the interplay of several factors that influence the real estate market in the region:

- Since 2022, **connectivity to Puerto Escondido has improved with flights from Tijuana, Monterrey, Guadalajara, and Mexico City**. These routes ease the arrival of new international travelers, enhancing the investment potential.
- Due to the remote work trend, **Puerto Escondido has witnessed an increase in mid- to long-term property rentals**, fostering the creation of new properties in the area.
- **Ongoing investment in infrastructure and services**, such as a highway that will reduce travel time from the capital of Oaxaca to Puerto Escondido to 2:30 hrs.
- **Recognized Mexican and international architects have undertaken exceptional projects**, solidifying the Oaxaca coast as a sought-after Airbnb rentals and new development destination, thus attracting new investors.

Together, these factors contribute to solidifying the upward trend in property appreciation in the region. Therefore, considering an investment in Puerto Escondido could be a wise and strategic long- term decision.

# Tourism Boom

According to the Mexican Ministry of Tourism, **in 2022, Puerto Escondido welcomed 748,329 tourists, a 32% increase compared to 2021.** This surge has generated a consistent demand for accommodation, presenting an opportunity for real estate investors.

## Tourist growth in Puerto Escondido

Destination	2020		2021		2022	
	Total tourists	Average occupancy	Total tourists	Average occupancy	Total tourists	Average occupancy
Puerto Escondido	293,311	14.66 %	567,046	27.07%	748,329	37.80%

Additionally, in 2022, the Puerto Escondido International Airport experienced significant growth, welcoming 729,004 passengers. This marks a 38% increase compared to 2021 (526,423 passengers)
